Mrs. Freda Cameron

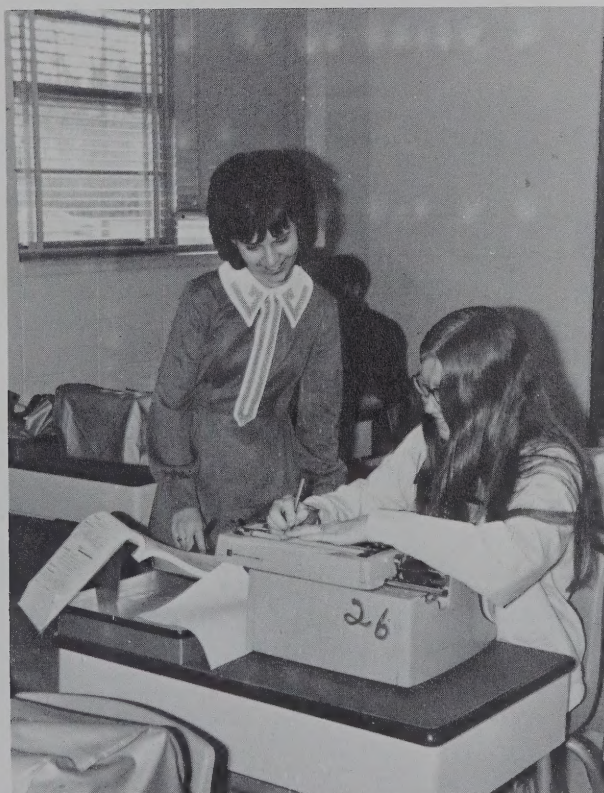

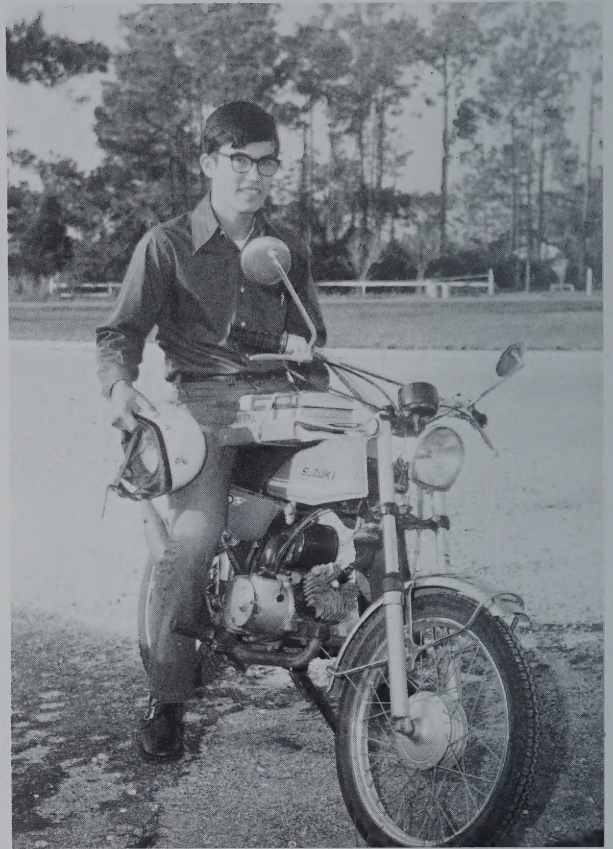

We should like to thank you for your sincere guidance as our Business Education Teacher. Your efforts during the past six years not only have truly enhanced our class but also have personally harvested many friendships.

We dedicate this yearbook to you in the hope that throughout the years to come you will remember our class with fond memories. And with this dedication we extend to you our wishes for a golden future.

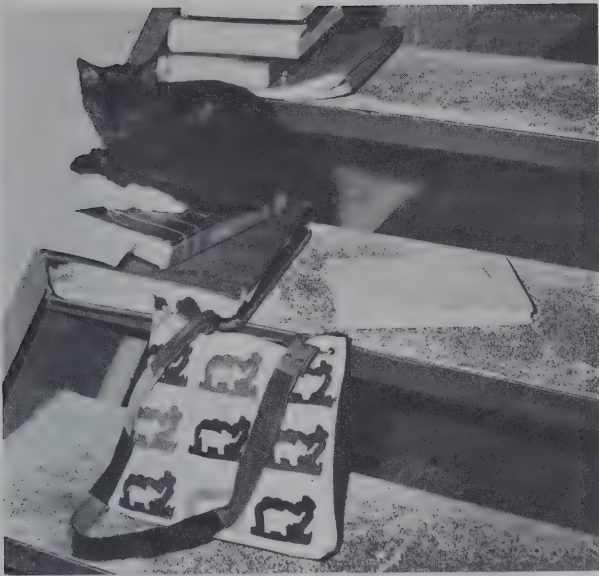

We shall do so much in the years to
 come,
 But what have we done today?
 We shall give our gold in a princely
 sum,
 But what did we give today?

The day shall be up so soon as
 I,
 To try the fair adventure of
 tomorrow.

Give me today and take
 tomorrow.

To-day is ours; what do we fear?
 To-day is ours; we have it here.
 Let's treat it kindly, that it may
 Wish, at least, with us to stay.
 Let's banish business, banish sorrow;
 To the gods belongs to-morrow.

To-morrow let my sun his beams display, or in
 clouds hide them: I have lived today.

Defer not till to-morrow to be wise,
 To-morrow's Sun to thee may never rise;
 Or should to-morrow chance to cheer thy sight
 With her enlivening and unlook'd for light
 How grateful will appear her dawning rays!
 As favours unexpected doubly please.

Rise! for the day is passing,
 And you lie dreaming on;
 The others have buckled their armour,
 And forth to the fight have gone:
 A place in the ranks awaits you,
 Each man has some part to play;
 The Past and the Future are nothing,
 In the face of the stern To-day.

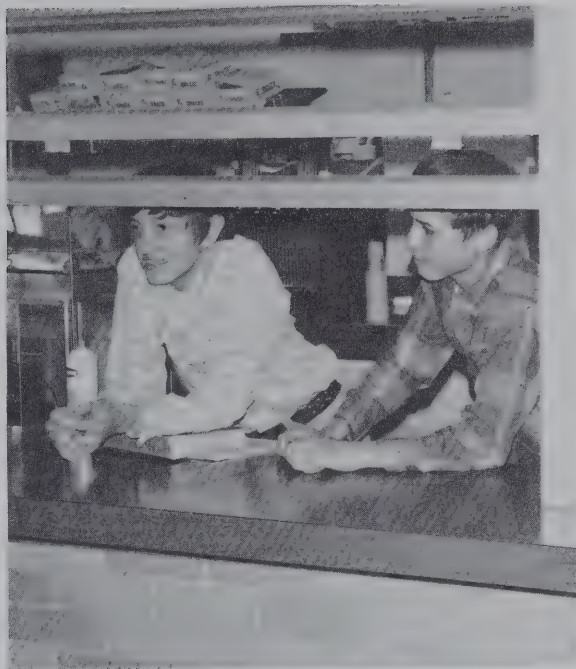

Of great events stride
on before the events,
And in to-day already
walks to-morrow.

To-day is not yesterday:
we ourselves change; how can
our Works and thoughts, if they
are always to be the fittest,
continue always the same?
Change, indeed, is painful;
yet ever needful; and if Mem-
ory have its force and worth,
so also has Hope.

The idol of to-day pushes the hero of yesterday out of our recollection; and will, in turn, be supplanted by his successor of to-morrow.

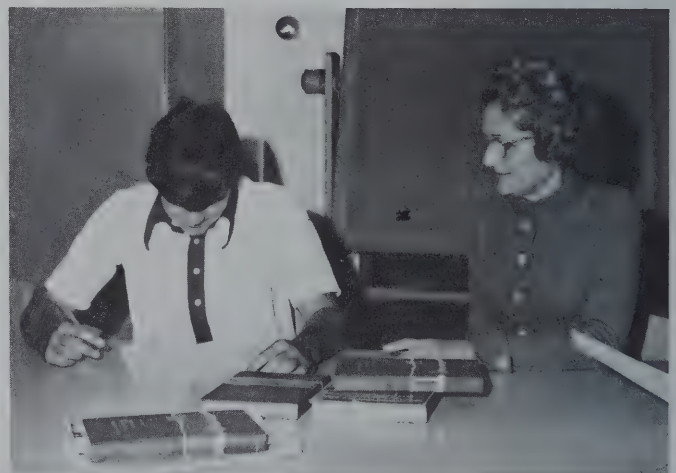

The acts of to-day become the precedents of to-morrow .

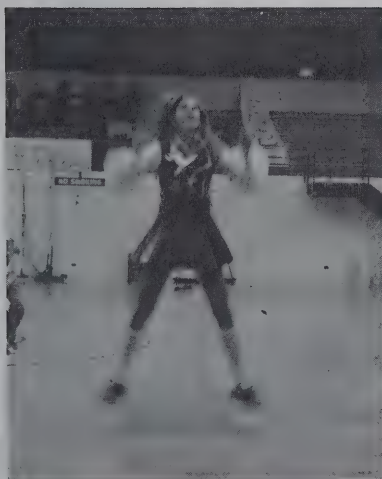

Tomorrow is, ah, whose?

What yesterday was fact to-day is doctrine.

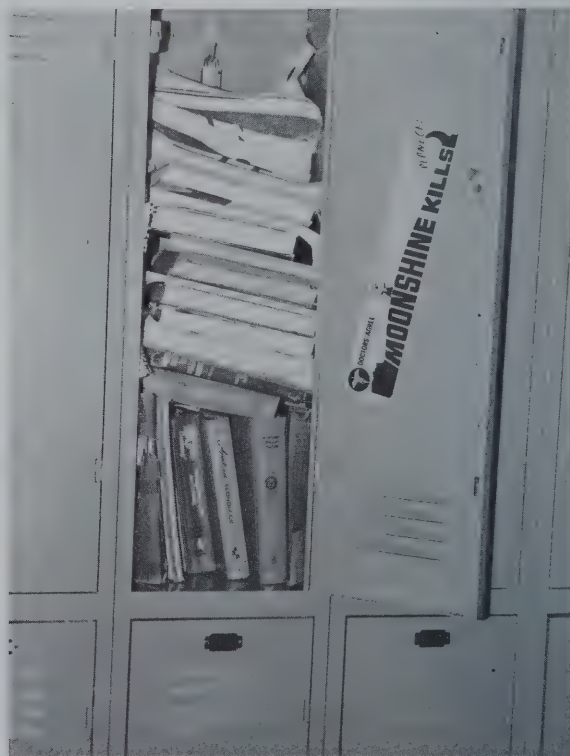

Things of today? Deeds
which are harvest for Eternity!

Never do but one thing at a time, and never
put off till to-morrow what you can do today.

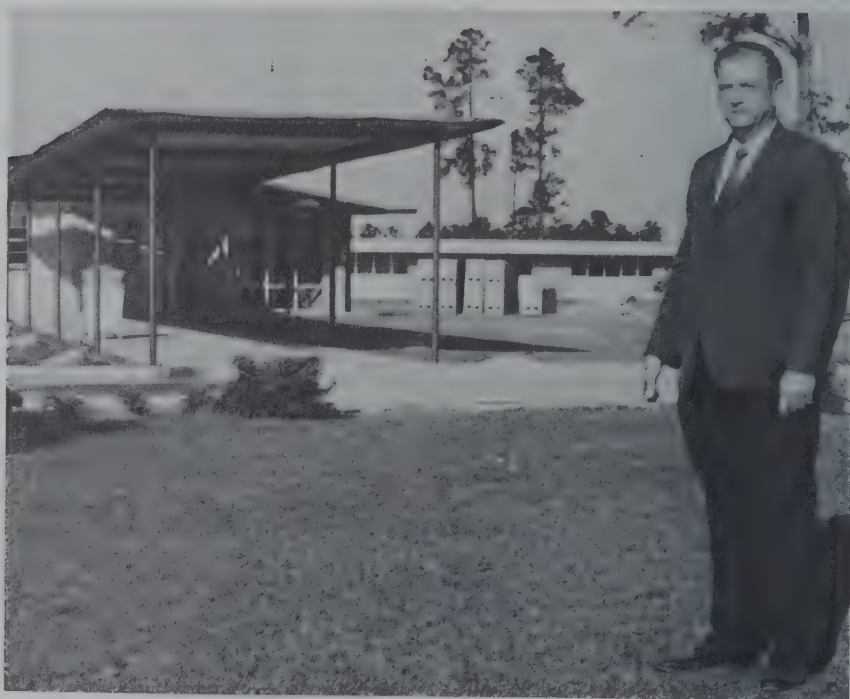

Wisdom is oftentimes nearer
when we stoop than when we
soar.

ADMINISTRATION

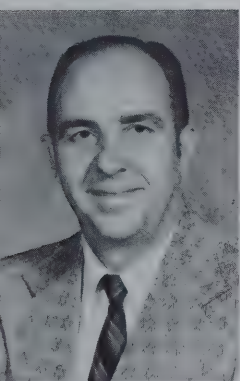

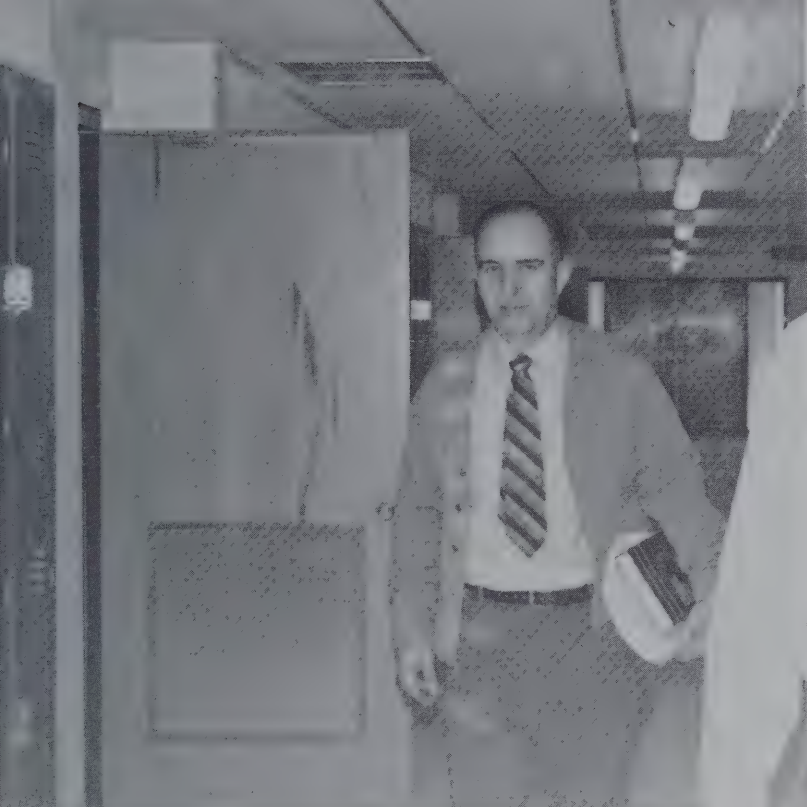

The 1973 TIGER wishes to express appreciation to Superintendent of Schools, Mr. J. D. McCullouch, without whose assistance this publication would not have been possible. Mr. McCullouch has been associated with the Bay St. Louis Schools for eighteen years, first as a principal, and for the last fifteen years as Superintendent. His tenure has been one marked by stability and progress. During his administration three new schools were constructed; existing buildings were enlarged; a new football stadium, baseball diamond, and tennis courts were built; the curriculum has been greatly expanded; providing for the gifted, the average, and those with learning difficulties. Yet during this era of rapid change and progress, the Bay St. Louis School System has stood as a model of soundness and responsibility.

Central Office Staff

Mr. Caldwell is the Assistant Superintendent. Mrs. Kramar is the secretary to Mr. McCullouch. Mrs. Schaefer is also secretary to the Superintendent. Mrs. Garriga is the schools' bookkeeper. Mrs. Pitalo is secretary to Assistant Superintendent.

School Board

The school board members for the 1972-73 school term are Mr. Robert Hamilton; Mr. William Breland, President; Mrs. Joseph Gex, Secretary; Mr. Emile Hazeur; and Mr. Thomas Kidd. The City of Waveland elects one member who this year was Mr. Kidd; all other members are appointed by the City Council.

The school board is the policy making body of the school district from which the superintendent assumes the responsibility for the execution of the said policies.

Office Serves School

Mr. Magee is well equipped for his tremendous job as principal because he has experienced almost all the problems that a teacher or principal has, for he has been both.

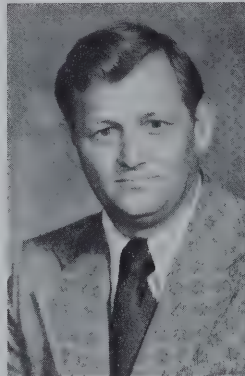

Mrs. Lagarde is the secretary to Mr. Magee. She also takes care of absent and tardy excuses, records students' semester grades and performs other routine office tasks.

Mr. Frank Ladner takes over when Mr. Magee is not here; he also is a counselor for the students.

Mr. Seymour is the guidance counselor and drivers education teacher.

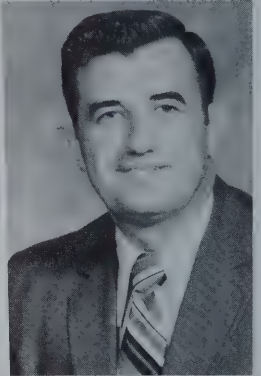

Mrs. Benigo is the secretary to the Guidance Counselors.

Language Comes Alive Through Activities

To understand, to speak, to read, to write - these are the main objectives of our foreign language department. In first year courses, pronunciation, vocabulary development, and elementary grammar are stressed. A balanced program of conversational practice and intensive drill on verbs is directed during the second year.

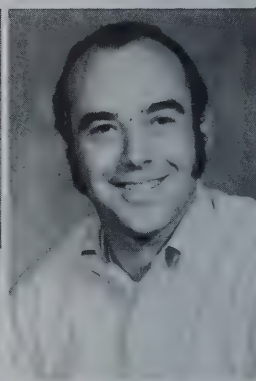

Students Pursue Math

... Mr. Harder gave us a simple math problem and four top math students gave four different answers.

Mr. Bourgeois

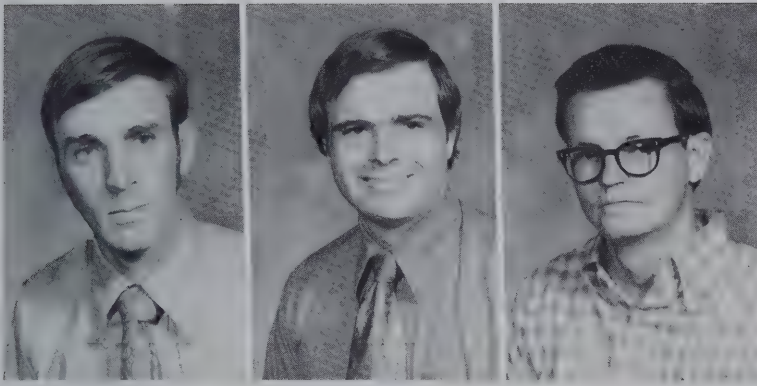

Mr. Harder

Mr. Kenneth Harder teaches courses in Algebra I and in Senior Math.

Fundamental Math I and II courses and Unified Geometry are Mr. Kenneth Bourgeois.

Science Intrigues Students

From atoms to infinity - the world of science is a world for the curious, the imaginative, and the persistent. It is the world of systems and of laws. He who enters discovers that the realm of nature is characterized by structure, order, function, and, most important, purpose. The thrill of scientific study lies in the application of reason and the powers of observation.

Students Study Social Changes

Mr. Meador

Miss Pitcairn

Mr. Powell

The Social Science Department instills in its students the principle of Democracy and appreciation of our American heritage. It includes the smaller social science divisions of World History, U.S. History, and American Government and Economics.

Coaches Stress Pride, Hustle, and Sportsmanship

Coach Loiacano is the head coach of the Bay High Tiger football team.

Coach Alliston is the assistant coach for football. He also is the head coach of the boy's basketball team.

1972 HOMECOMING
QUEEN

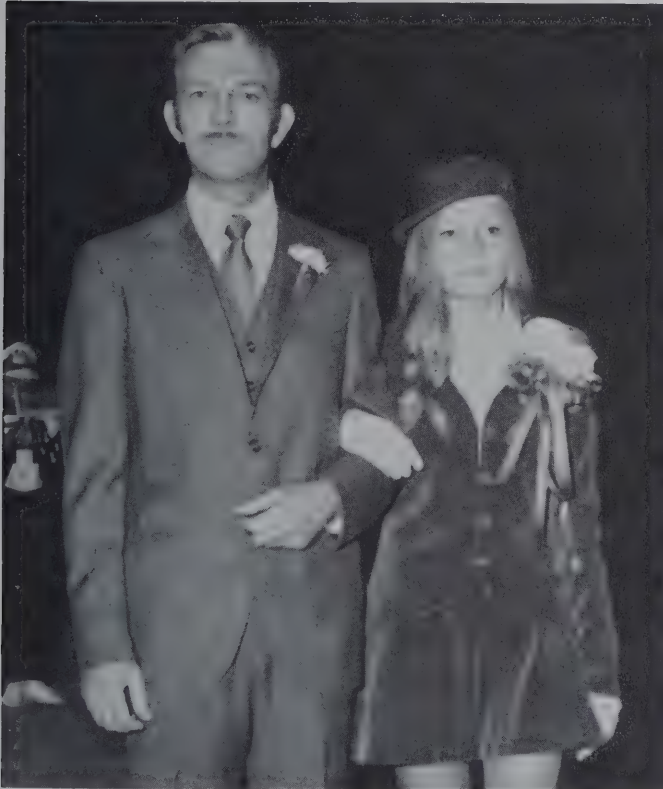

Miss Lauren Turcotte, daughter of Mr. and Mrs. Walter Turcotte, reigned as 1972 Homecoming Queen. Chosen by vote of the Tiger Football team, Lauren's activities include membership in the French, Garden, Library and Tennis Clubs. As a junior, she was secretary of her class and Girls' State Representative. Lauren is also a cheerleader for all Tiger activities.

The 1972-73 Tigerettes finished the season with a 7-11 won-lost record. Their record was not as promising as it should have been, but the team members feel their mistakes will be behind them next year. They are looking forward to a season of victory.

The record for the Bay High Tigers 1972-73 team was 6-12. The boys lost five senior varsity lettermen last year, which was somewhat of a hindrance to the team. By next year, it is hoped that the sophomores and juniors will have gained experience and are ready to play.

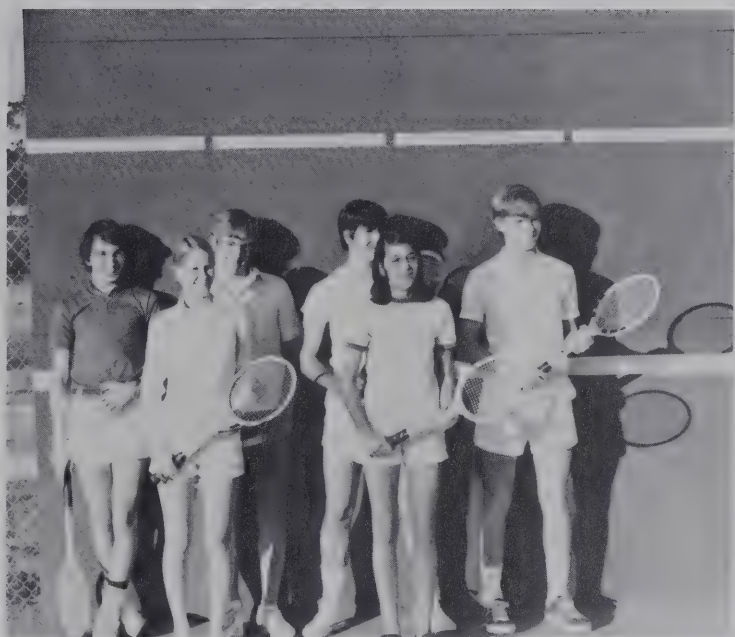

TOP ROW: Wade Koennen, Tommy Carver, David Richardson, Willie Thomas, Mike Magee, Tim Farve, Charlie Caldwell. BOT TOM ROW: Arnold Fairconnetue, Ferdinand Bilbo, Julius Thompson, Joey Smith, Mike Carver, Ronald Magee, and Malcolm Lofton.

Tomorrow brings another new season of baseball to our school. Along with Coach Powell, these boys are hoping to have a good season. L. to R.: A. LaFontaine, M. McDonald, J. Smith, D. Trelles, R. L. TO R.: D. Fayard, S. Fewell, E. Turnipseed, A. LaFontaine, P. Austin, R. Magee.

Tennis

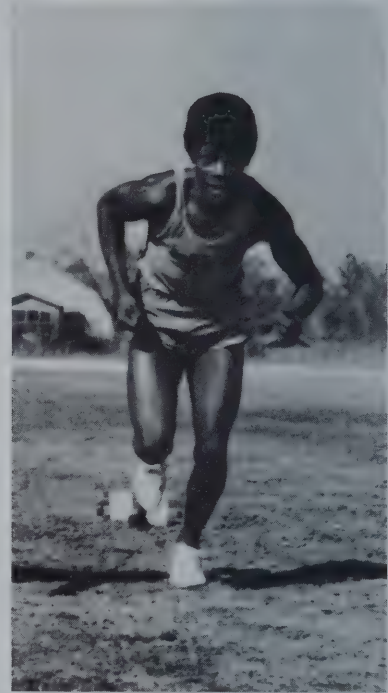

Tennis is a skill which requires speed, dexterity, coordination, and co-operation. The power of this year's team lies in the experience of its six returning lettermen and the determination of its newcomers.

L. to R., FRONT ROW: K. Ladner, C. Stieffel, B. Fewell, G. Flynn, S. Kidd. BACK ROW: W. Messina, K. Farrell, W. Brizzar, T. Largay.

Boys and Girls Track Team

This year's track team lost several star lettermen; however the experience gained by many sophomores could pave the way for future track success.
